but first take a look at how *your Association* continues to represent you as the voice of the professional security industry.

It's easy to renew

This year you can renew your membership using our online annual declaration form. Don't forget, you can make membership even more affordable, as we offer a **Direct Debit scheme** to help you spread the cost of membership across the whole year.

What's more those members who **pay in full or sign up to the scheme before 31 March** will qualify for a reduced annual increase of 1.5%.
